

NAPLES SHEER 295cm

Naples is a 295cm printed sheer available in a vast array of colours. Naples has everything from off-whites and naturals to bright orange and red. Naples has a light linen-look texture and is silky-smooth to the touch. We achieve this via our unique digital printing process combined with the super-soft base cloth.

Naples comes in 17 colours, each with a colour-matched weighted base. Naples has been tested for flame retardancy; AS 1530-1993 Part 2.

Important Note

Wide Width Designs

The wide width designs have been sampled "up the roll". To utilise this as a continuous fabric please view the design in the opposite direction.

Fabric End Use

Please ensure the fabric you have selected is suitable for the end use it has been sold to the consumer for. In particular, Hoad does not recommend any of our fabrics be manufactured into Roman Blinds unless they have been professionally pre-shrunk. Most of our fabrics are designed for window treatments and may not be suitable for upholstery, please check before ordering.

Fabric Colour Fastness

Hoad Fabrics are purchased to Australian standards of fabric performance. However, all fabrics will fade due to direct or indirect sunlight, in particular leading edges of curtaining. These should be protected by suitable linings and/or exterior awnings, for extreme conditions. No claims will be recognised for fabrics that have not been properly protected from sunlight.

Pattern Repeats & Fabric Widths

Due to manufacturing tolerances all pattern repeats and finished fabric widths are a close approximate; a variation of up to 5% may occur and should be allowed for when ordering.
